

Building Engineer

KANSAS CITY METRO

Copaken Brooks, LLC is the largest and oldest family-owned commercial real estate management, leasing and development firm in Kansas City. We have 90 years of proven experience in playing a major role in where millions of people go to work and shop and were voted 2013 Small Business of the Year by the Kansas City Chamber of Commerce.

We are currently seeking an experienced **Building Engineer** with commercial high-rise office building experience to manage all maintenance functions for our downtown properties. Qualified candidates will have a minimum of 3 years' experience responding to tenant calls in a commercial environment regarding emergency and maintenance issues. Experience must include prior maintenance and repair of commercial HVAC, refrigeration, electrical, plumbing, fire sprinkler and both pneumatic and electronic building control systems. Must be able to perform various inspections and follow-up on deficiencies to improve and maintain the physical appearance and mechanical integrity of the property and promote positive tenant and customer relations.

Qualified candidates must have:

- High school diploma or equivalent plus training, generally comparable to a comprehensive certification program or an associate's degree
- Minimum 3 years work experience in commercial office environment ; on call for at least one (1) of those three years
- Working knowledge of pumps, commercial air handling units and systems and chiller plant equipment
- Electrical, plumbing and general carpentry experience
- Universal CFC license
- Valid driver's license and good driving record
- EMS and HVAC experience a plus
- Basic computer knowledge
- Excellent communication and customer service skills.
- Willing and able to stand and walk for extensive periods of time
- Ability to lift up to 50 pounds (ladders, boxes, etc.)
- Working in all weather conditions, stressful situations and construction environments
- Willing to be on-call for emergency situations
